Scaffold Inspection - Refresher

This course is designated for Owners, Supervisors, Management, Operatives who have previously attended the 2 Day Scaffold Inspection Course within the past 3 years. It is a pre-requisite and the duty of the employer/sponsor to ensure delegates have attended the full two day course prior to attending the refresher course.

Candidates will refresh the knowledge listed on next page.

Duration: 1 day.

Scaffold Inspection

Our Scaffold Inspection training course equips attendees with the knowledge to enable them to understand how to inspect basic scaffolding structures, in accordance with the Work at Height Regulations.

Candidates will learn:

- Work at Height regulations 2005
- NASC TG20:13 compliance
- NASC SG04:15 guidelines
- HSE Guidelines
- Basic Scaffolding Materials & Structures
- Reporting Inspections/Defects
- Working Methods
- On-Site Inspections – (Tube and Fitting)
- Preparing Reports/Scaffold Tagging Systems
- Specific individual issues

Duration: 2 days.
